

Klever Desk™ Double Electric

Product Specification

Create an office space fit for the future of working with our height adjustable, double electric desks. The sit-to-stand double-desk system is ideal for configuring shared workspaces and open-plan team environments. A stylish, functional and modern design combined with European engineering ensures quiet, smooth operation.

Upgrade to Klever Corporate, Personal or Lite and independently manage desk positioning via the hands-free MOTION@work app, or using the desk switch. Stylish in design and intuitive in functionality, the advanced German-designed electrics make your workplace a smarter, more efficient and more agile working environment.
